Awareness Programme on Anemia and Haemoglobin

Date: 12th February 2020

Organized by: G.G.C.P. Farrukhnagar

Location: Sultanpur, Farrukhnagar, Haryana

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized an “Awareness Programme on Anemia and Haemoglobin” on 12th February 2020. The program aimed to educate participants about anemia, a common health issue, by providing information on its causes, symptoms, prevention, and management. The event included informative sessions and free health check-ups to raise awareness and promote better health practices.

Objectives

The primary objectives of the programme were:

1. To provide knowledge about anemia, including its causes, symptoms, and complications.
2. To educate participants on the role of haemoglobin in the body and its importance for overall health.
3. To promote awareness about the importance of nutrition and a balanced diet in preventing anemia.
4. To offer free haemoglobin testing and medical consultations to attendees.

Outcome:

1. Participants gained knowledge about anemia, including its causes, symptoms, and complications.
2. Participants learned about the role of hemoglobin in the body and its importance for overall health.
3. Participants increased their awareness of the importance of nutrition and a balanced diet in preventing anemia.
4. Participants received free hemoglobin testing and medical consultations.

NOTICE

An "Awareness Walk on Plastic free Environment" will be organized by Gurugram Global College of Pharmacy on 15th January 2020 to promote the importance of reducing plastic waste and encouraging sustainable practices. The walk aims to raise awareness about the impact of plastic pollution on the environment and to inspire collective action towards a cleaner, greener future.

Date: 15th January 2020

Time: 9AM Onwards

Venue: Badli, Jhajjar, Haryana

We encourage all students, faculty, and staff to join this initiative and make a positive impact on our environment. Your participation will help in spreading the message of a plastic-free environment and contribute to a cleaner and healthier planet.

Report on Awareness Walk on Plastic Free Environment

Date: 15th January 2020

Organized by: G.G.C.P. Farrukhnagar

Location: Badli, Jhajjar, Haryana

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized an “Awareness Walk on Plastic-Free Environment” on 15th January 2020. The event aimed to raise awareness about the detrimental effects of plastic pollution on the environment and to encourage the college community to adopt sustainable practices. The walk was designed to promote a plastic-free lifestyle and highlight the importance of reducing plastic waste.

Objectives

The key objectives of the walk were:

1. To increase awareness about the environmental impact of plastic pollution.
2. To encourage the adoption of eco-friendly practices and alternatives to single-use plastics.
3. To engage the college community in environmental conservation efforts through active participation

Outcome:

1. Participants increased their awareness about the environmental impact of plastic pollution.
2. Participants were encouraged to adopt eco-friendly practices and alternatives to single-use plastics.
3. Participants engaged in environmental conservation efforts through active participation within the college community.

Report on Awareness Camp on Cancer in Women

Date: 20th November 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Jatola Village, Farrukhnagar, Gurugram

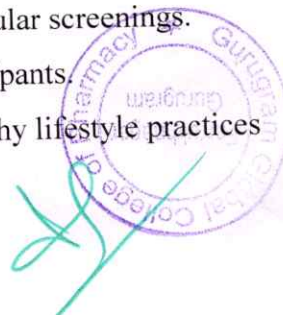

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized an "Awareness Camp on Cancer in Women" on 20th November 2019 to address the critical issue of cancer affecting women. The camp aimed to raise awareness about cancer prevention, early detection, and treatment, and provided valuable resources and health check-ups for participants. The event was part of GGCP's commitment to promoting health and well-being within the community.

Objectives

The primary objectives of the camp were:

1. To educate participants about various types of cancers affecting women, such as breast, ovarian, and cervical cancers.
2. To emphasize the importance of early detection and regular screenings.
3. To provide health check-ups and consultations to participants.
4. To distribute informational resources and promote healthy lifestyle practices.

Outcome:

1. Participants learned about various types of cancers affecting women, including breast, ovarian, and cervical cancers.
2. Participants understood the importance of early detection and regular screenings.
3. Participants received health check-ups and consultations.
4. Participants obtained informational resources and were encouraged to adopt healthy lifestyle practices.

Report on Awareness Camp on Road Safety

Date: 18th September 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Sultanpur, Farrukhnagar, Gurugram

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized an “Awareness Camp on Road Safety” on 18th September 2019 to promote safe driving practices and raise awareness about road safety. The camp aimed to educate participants about road safety rules, accident prevention, and emergency response techniques. The event was part of GGCP’s ongoing efforts to contribute to community safety and well-being.

Objectives

The primary objectives of the camp were:

1. To educate participants about road safety rules and regulations.
2. To promote awareness about accident prevention and safe driving practices.
3. To demonstrate the use of safety gear and emergency response techniques.
4. To provide valuable resources on road safety measures.

Outcome:

1. Participants were educated about road safety rules and regulations.
2. Participants increased their awareness about accident prevention and safe driving practices.
3. Participants learned how to use safety gear and apply emergency response techniques.
4. Participants received valuable resources on road safety measures.
