Report on Community Health Camp

Date: 25th May 2022

Organized by: G.G.C.P. Farrukhnagar

Location: Khalekpur, Farrukhnagar, Haryana

Introduction:

On 25th May 2022, Gurugram Global College of Pharmacy, in collaboration with the Khushi Foundation, organized a "Community Health Camp" aimed at providing essential health services and raising awareness about preventive care. This initiative was designed to address community health needs and foster a culture of wellness and preventive care.

Objective

The primary objectives of the Community Health Camp were to:

1. **Provide Free Health Services:** Offer free health check-ups, consultations, and screenings to community members, helping them access necessary healthcare services.
2. **Raise Health Awareness:** Educate participants about preventive health measures, nutrition, and wellness through informative sessions and interactions with healthcare professionals.

3. **Promote Community Engagement:** Engage students, faculty, and local residents in health and wellness activities, strengthening community ties and promoting a healthier lifestyle.

Outcome:

1. The community health camp educates attendees on preventive measures, healthy lifestyles, and available health resources, leading to improved public knowledge and health practices.
2. The camp provides free or low-cost health screenings, consultations, and treatments, improving access to essential healthcare services for underserved or at-risk populations.

Report on Career Guidance Programme

Date: 09th February 2022

Organized by: G.G.C.P. Farrukhnagar

Location: Chandu, Gurugram

Introduction:

On 9th February 2022, Gurugram Global College of Pharmacy organized a "Career Guidance Programme" aimed at providing students with valuable insights and guidance on career opportunities in the pharmaceutical industry and related fields. The programme was designed to help students make informed decisions about their professional futures and enhance their career readiness.

Objective

The primary objectives of the Career Guidance Programme were to:

1. **Provide Career Insights:** Offer information on various career paths within the pharmaceutical industry and related sectors.
2. **Enhance Career Readiness:** Equip students with the knowledge and skills needed to make informed career choices and succeed in the job market.

3. **Facilitate Networking:** Create opportunities for students to interact with industry experts and gain practical advice on career development.

Outcome:

1. The Career Guidance Programme helps students explore and understand different career options, leading to more informed and focused decisions about their future educational and professional paths.
2. The programme equips students with essential skills like resume building, interview techniques, and professional networking, enhancing their readiness for job applications and career development.

Report on Rally on World Cancer day

Date: 2nd February 2022

Organized by: G.G.C.P. Farrukhnagar

Location: Khera Khurrampur, Farrukhnagar, Haryana

Introduction:

World Cancer Day is a globally recognized event aimed at raising awareness about cancer, promoting prevention, early detection, treatment, and supporting those affected by the disease. Observed on February 4th each year, World Cancer Day unites individuals, communities, governments, and organizations worldwide in the fight against cancer. World Cancer Day serves as a poignant reminder of the significant impact cancer has on millions of lives globally.

The Gurugram Global College of Pharmacy (GGCP) organized a “Rally on World Cancer Day” on 2nd February 2022 to raise awareness about cancer prevention, early detection, and treatment. The rally aimed to educate the community about the importance of a healthy lifestyle and regular screenings. The event saw active participation from both faculty members and students, demonstrating the institution's commitment to social responsibility and health awareness.

Objectives:

The primary objectives of the rally were:

1. To raise awareness about cancer and its prevention.
2. To encourage early detection and regular screenings.
3. To promote healthy lifestyle choices

Outcome:

1. The rally educates the public on cancer prevention, early detection, and treatment, promoting healthier lifestyle choices and regular screenings.
2. The event boosts community support for cancer research and policy reforms, encouraging donations and influencing policymakers to enhance cancer-related initiatives.
