CIRCULAR

Subject: Commitment to a Green Campus

GGCP to promote environmental sustainability and create a healthier, greener campus, we are pleased to announce our formal commitment to a Green Campus. All faculty members, staff and students are requested to follow the initiatives that includes:

1. To minimize the use of single-use plastics. Please utilize reusable items such as water bottles, coffee mugs, and shopping bags.
2. To segregate waste into recyclable and non-recyclable categories. Recycle paper, plastic, and glass as per the designated bins around the campus.
3. To participate in tree-planting drives and support campus gardening initiatives. Adopt paperless practices by using digital resources and minimizing printouts.

Any Query, suggestion and complains can be intimated to the Head of the Department.

CIRCULAR

Subject: Conservation of Electricity

Dear Faculty Members, Staff, and Students,

In our continuous efforts to contribute towards a sustainable environment and promote responsible energy usage, the institute is implementing measures to conserve electricity across our campus. It is essential that each one of us:

1. Ensure that all lights, fans, computers, and other electrical appliances are turned off when not in use, especially in unoccupied classrooms, offices, and common areas.
2. Regularly check and maintain electrical equipment to ensure they are functioning efficiently
3. Encourage fellow colleagues and students to follow these conservation practices. Awareness and collective efforts are key to achieving our energy-saving goals.

For any queries, suggestions and complains regarding energy conservation, please contact Mr. Rajesh (8395915569)

CIRCULAR

Subject: Waste Segregation in College Premises

Gurugram Global College of Pharmacy to enhance our environmental efforts, we are implementing a waste segregation system on campus.

1. All the faculty and students ensure that waste is sorted into the following categories:
Green Dustbin : Biodegradable
Blue Dustbin: Non-Biodegradable recyclable
Red Dustbin: Non-Biodegradable Non-recyclable
Yellow Dustbin: Infectious Waste
2. Use the designated bins placed around the campus for proper disposal.

Your cooperation in following these guidelines is crucial in maintaining a clean and eco-friendly campus. Any Discrepancies please contact Mr. Pradeep (9728824776)

CIRCULAR

Subject: Initiative for a Plastic-Free Campus

Gurugram College of Pharmacy as part of our commitment to environmental sustainability, are implementing a plastic-free campus initiative. All Faculty members and students are requested to refrain from using single-use plastic items and opt for reusable alternatives instead. Dispose of plastic waste responsibly and encourage others to follow these practices.

By following this steps we can make a significant impact on reducing plastic pollution and creating a cleaner, healthier campus environment. Any query or complains contact the Department Head.
