## Expert Talk

### 1. Expert talk on Antimicrobial Resistance

The poster is for a webinar on Antimicrobial Resistance (AMR) held at Gurugram Global College of Pharmacy. It features the college's logo and name at the top, followed by accreditation details. The main title 'ANTIMICROBIAL RESISTANCE (AMR)' is prominently displayed in white and green. A yellow banner identifies the speaker as the 'KEYNOTE SPEAKER'. A portrait of Dr. Atul Kumar NASA is shown in a hexagonal frame, with his name and title 'Head of office, Controlling & Licensing Authority, Deputy Drug controller, Drug Control Department, Govt of NCT' listed below. The event date '29TH JANUARY 2022' and time 'TIME-12:00PM' are provided. A 'LIVE WEBINAR VIA ZOOM LIVE' banner includes the Zoom logo. At the bottom, a photograph of the college building is shown, along with the address '5 KM Mile Stone, Haily Mandi Road, Kheda Khurrampur, Farrukhnagar, Gurgaon, Haryana 122506' and contact information: 'Admission Helpline No : +91-9555100100 Email ID: info@gitmgurgaon.com'.

TYPE OF EVENT	Expert talk on Antimicrobial Resistance
VENUE	Hybrid mode
TIME & DURATION	29 January, 2022
CONDUCTED BY	GGCP
ORGANIZED FOR	B. Pharmacy students
NAME OF THE COORDINATOR	Mr. Vinod Gahlot
ATTENDENCE	100
RESOURCE PERSON	Guest of Honour and Keynote Speaker Dr Atul Kumar Nasa Head of office, Controlling & Licensing Authority, Deputy Drug Controller, Drug Control Department. Govt of India
OBJECTIVE OF THE EVENT	The objective of the expert talk on Antimicrobial Resistance is to provide participants with a comprehensive understanding of the causes, consequences, and current trends related to antimicrobial resistance (AMR). The talk aims to highlight the critical impact of AMR on global health, discuss strategies for prevention and management, and promote awareness about the responsible use of antibiotics. By offering insights from experts, the event seeks to foster informed discussions and encourage proactive measures to combat AMR.
LEARNING OUTCOMES	The learning outcomes from the expert talk on Antimicrobial Resistance include gaining a thorough understanding of the causes and impacts of AMR on global health, learning about current trends and challenges in managing resistance, and acquiring knowledge on strategies for prevention and responsible antibiotic use. Participants will be better equipped to contribute to discussions on AMR, implement effective practices in their professional environments, and support efforts to combat the spread of resistant pathogens.

TYPE OF EVENT	Expert Talk on the Good Clinical Practices
VENUE	Vivekananda Auditorium , GGCP
TIME & DURATION	17 June 2022
CONDUCTED BY	GGCP
ORGANIZED FOR	B. Pharmacy (3 <sup>rd</sup> Sem)
NAME OF THE COORDINATOR	Dr. Minkal Tuteja
ATTENDENCE	100
RESOURCE PERSON	Guest of Honour and Keynote Speaker Dr Suhani Sinha, Head of Manufacturing, Krishat Pharma, Gurugram
OBJECTIVE OF THE EVENT	The objective of the interactive session on Good Clinical Practices (GCP) is to provide participants with a comprehensive understanding of GCP principles and guidelines to ensure the integrity and quality of clinical trials. The session aims to enhance compliance with ethical and regulatory standards, promote the practical application of GCP through interactive discussions and case studies, and equip participants with the necessary skills to conduct, manage, and monitor clinical trials effectively. By fostering a commitment to high standards of quality and ethical conduct, the session seeks to improve overall clinical research practices.
LEARNING OUTCOMES	The learning outcomes from the interactive session on Good Clinical Practices (GCP) include gaining a thorough understanding of GCP principles and their importance in ensuring the integrity and quality of clinical trials. Participants will improve their ability to comply with ethical and regulatory standards, apply GCP guidelines effectively through practical case studies, and develop the skills needed for conducting, managing, and monitoring clinical trials. The session aims to foster a commitment to high standards of quality and ethical conduct in clinical research, enhancing overall research practices and patient safety.

### Pharmaceutical Industrial Visit

#### 1. Industrial Visit to Yakult Danone India Pvt. Ltd. Sonipat

## Industrial Visit at Yakult Danone Pvt. Ltd. Sonipat

TYPE OF EVENT	Industrial Visit to Yakult Danone India Pvt. Ltd. Sonipat
VENUE	Sonipat
TIME & DURATION	2022
CONDUCTED BY	GGCP
ORGANIZED FOR	B.pharmacy 1 <sup>st</sup> sem
NAME OF THE COORDINATOR	Ms. Prity Sharma
ATTENDENCE	90
OBJECTIVE OF THE EVENT	The objective of this industrial visit was to familiarize the students with the production and processing aspects at Yakult Danone India plant which has received ISO 9001: 2008, HACCP and OHSAS accreditation for manufacturing a safe and quality product for its consumers. As a pioneer in probiotics, Yakult has formidable research capabilities and technological advances in the field of probiotics.
LEARNING OUTCOMES	The visit was a fruitful experience for the students as they learned the processing stages and the latest technology in producing processed products. It also provided them an opportunity to familiarize themselves with the industry environment.

## **Report on Community Pharmacy Services & Patient Counselling Events Organized by Gurugram Global College of Pharmacy (GGCP)**

### **1. Introduction**

The Global College of Pharmacy (GGCP) is dedicated to fostering community well-being and enhancing student learning through its annual community pharmacy services and patient counselling events. These initiatives include Blood Donation Camps, Beti Bachao-Beti Padhao campaigns, Cancer Awareness sessions, and activities under the Swachh Bharat Mission. This report highlights the objectives and learning outcomes of these events, reflecting GGCP's commitment to social responsibility and educational excellence.

### **2. Objectives**

#### **Blood Donation Camp:**

- **Raise Awareness:** Educate the community on the importance and impact of blood donation.
- **Encourage Participation:** Inspire students, faculty, and community members to donate blood.
- **Support Healthcare:** Contribute to the healthcare system by ensuring a reliable supply of blood for those in need.

#### **Beti Bachao Beti Padhao:**

- **Promote Gender Equality:** Advocate for the importance of educating and empowering the girl child.
- **Increase Awareness:** Highlight the issues related to the declining child sex ratio and its societal impacts.
- **Foster Community Involvement:** Engage community members in supporting gender equality initiatives.

#### **Cancer Awareness Sessions:**

- **Provide Education:** Offer comprehensive information on cancer prevention, early detection, and treatment.
- **Encourage Regular Screening:** Promote regular medical check-ups and screenings for early cancer detection.
- **Support Patients:** Inform about available support systems for cancer patients and their families.

#### **Swachh Bharat Mission:**

- **Promote Cleanliness:** Encourage cleanliness and hygiene practices within the community.
- **Environmental Education:** Raise awareness about environmental sustainability and the importance of a clean environment.

- **Active Participation:** Foster community involvement in cleanliness and hygiene initiatives.

### 3. Learning Outcomes

#### **Blood Donation Camp:**

- **Practical Experience:** Students gain hands-on experience in organizing and conducting blood donation drives.
- **Enhanced Skills:** Development of organizational and management skills.
- **Community Service:** Foster a sense of social responsibility and the importance of giving back to the community.

#### **Beti Bachao Beti Padhao:**

- **Increased Awareness:** Students develop a deeper understanding of gender equality issues.
- **Advocacy and Communication:** Enhance advocacy and communication skills through community engagement.
- **Empathy and Sensitivity:** Foster empathy and sensitivity towards gender-related issues.

#### **Cancer Awareness Sessions:**

- **Knowledge Enhancement:** Students acquire detailed knowledge about cancer, its prevention, and treatment.
- **Counselling Skills:** Improve patient counselling and communication skills.
- **Supportive Attitude:** Develop a supportive attitude towards cancer patients and their families.

#### **Swachh Bharat Mission:**

- **Environmental Ethics:** Instill a strong sense of environmental ethics and sustainability.
- **Team Collaboration:** Enhance teamwork and collaboration skills through collective activities.
- **Leadership Development:** Provide opportunities for students to lead and manage community projects.

**4. Conclusion:** The annual community pharmacy services and patient counselling events organized by GGCP play a crucial role in promoting health, education, and environmental sustainability. These initiatives not only benefit the community but also provide invaluable learning experiences for students, equipping them with practical skills, a sense of responsibility, and a commitment to societal well-being. GGCP remains steadfast in its mission to continue these impactful activities, contributing to both community development and student growth.
