The Action Taken Report 2018-19 was presented to the Academic Council as per the agenda 3 Item 9 for approval. The Academic Council approved the Action Taken Report.

## ACTION TAKEN REPORT (ACADEMIC SESSION 2018-19)

S.NO	RESPONDENT	FEEDBACK(SUGGESTIONS)	ACTION TAKEN
1.	STUDENT	Students should be provided with a platform to apply their diverse skill set.	The college organized many guest lecturers, quizzes and group discussions to make them job ready.
		Students suggested that they should be imparted practical exposure.	Conducting Industrial Visits
		There should be more emphasis on imparting relevant insights.	On a regular basis, seminars, and workshops on current issues are held to give additional practical information.
2.	FACULTY	The need for more value added sessions was stressed by the teachers to enhance the employability of students. Students can be industry ready only if they are exposed to real life situations in their class rooms and laboratories	The College has created a number of value added courses for the most recent advances. It has enabled teachers to stimulate independent learning, challenge students' world views, and project enthusiasm for the subject matter.

**The Action Taken Report 2019-2020 was presented to the Academic Council as per the agenda 3 Item 9 for approval. The Academic Council approved the Action Taken Report.**

**ACTION TAKEN REPORT (ACADEMIC YEAR 2019-20)**

S.NO	RESPONDENT	FEEDBACK(SUGGESTIONS)	ACTION TAKEN
1.	STUDENT	Some students suggest that GGCP could increase opportunities for practical exposure in their fields of study. They recommend more hands-on projects, internships, and industry collaborations to better prepare them for their future careers.	Offered credit in internal marks for internships as part of the curriculum. This can encourage more students to pursue internships, knowing that their work experience will contribute to their academic progress.
		A few students feel that communication regarding events, deadlines, and opportunities could be improved. They suggest more streamlined and timely communication channels to keep everyone well-informed and engaged.	Developed a centralized notice board where all announcements, events, deadlines, and opportunities are posted.
		While counseling services are appreciated, some students believe that GGCP could further enhance support for mental health by offering more workshops on stress management, mindfulness, and mental well-being.	Train students to provide peer counseling services. This can create a support network where students feel comfortable discussing their issues with peers who have been trained to listen and provide basic support.
2.	FACULTY	<p>Stressed the need for ongoing professional development for faculty to stay updated with industry advancements.</p> <p>Proposed regular training sessions and workshops for faculty to learn new teaching methodologies and technologies.</p>	<p>Partner with reputable organizations to offer certification programs that faculty can pursue to gain advanced knowledge and skills in their respective fields.</p> <p>Organize internal workshops where faculty members who have attended external training can share their learning and experiences with colleagues.</p>

The Action Taken Report 2020-21 was presented to the Academic Council as per the agenda 5 Item 9 for approval. The Academic Council approved the Action Taken Report.

## ACTION TAKEN REPORT (ACADEMIC YEAR 2020-21)

S.NO	RESPONDENT	FEEDBACK(SUGGESTIONS)	ACTION TAKEN
1.	STUDENT	Students commend the quality of education provided at GGCP. They find the curriculum well-rounded and appreciate the integration of constitutional values, rights, duties, and responsibilities into their studies. Guest lectures, seminars, and workshops are particularly valued for offering practical insights and enhancing their learning experience.	The curriculum delivery was enriched on online platform too.
		Students feel that their teachers are knowledgeable, approachable, and supportive, contributing significantly to their academic growth and personal development.	No action required
2.	FACULTY	Stressed the need for ongoing professional development for faculty to stay updated with industry advancements.	It was directed to conduct one workshop for faculty upliftment and allow faculty members to attend FDP's conducted in other institution.

The Action Taken Report 2021-22 was presented to the Academic Council as per the agenda 2 Item 9 for approval. The Academic Council approved the Action Taken Report.

## ACTION TAKEN REPORT (ACADEMIC YEAR 2021-22)

S.NO.	RESPONDENT	FEEDBACK (Suggestions)	ACTION TAKEN
1.	STUDENT	Majority of students felt that more industry relevant courses should be incorporated	No changes required
		Depth of the course content needs to be increased for achieving the expected Course Outcomes	Teachers were informed to keep check on the attainment of course outcomes and made students familiar with ideas of POs and COs and their expected outcomes.
		Students are more concerned about practical learning	Teachers have started delivering their lecture by giving more live examples, case studies to connect the topic with the current national and international events. Various webinars have been conducted to make student aware of current trends.
2.	ALUMNI	Students should get awareness of further studies and prospects	Mock tests are conducted to prepare them well for higher studies. Various events such as career opportunities after graduation, digital marketing, career counseling for skill enhancement etc were organized to keep them updated about the career prospects.
3.	FACULTY	Research activity be promoted among students and integrated in teaching learning process.	Research has been emphasized appropriately in revamped curriculum. A dedicated lab for research was made.
		Entrepreneur ability of the students be encouraged	Students to be encouraged for Entrepreneurship as career prospect. Innovation and Entrepreneurship have been promoted in structured

**The Action Taken Report 2022-23 was presented to the Academic Council as per the agenda 4 Item 9 for approval. The Academic Council approved the Action Taken Report.**

## **ACTION TAKEN REPORT (ACADEMIC YEAR 2022-23)**

S.NO.	RESPONDENT	FEEDBACK (Suggestions)	ACTION TAKEN
1.	STUDENT	Majority of students felt that more industry relevant courses should be incorporated	Industry related courses were revised as per the new requirements of the industry.
		More MOOC's should be added	Due weightage has been given to MOOCs by the university. The college made the MOOC Coordinators who will be responsible for taking care of their respective courses from Swayam Portal and help students in case they are facing any problem related to that.
		Depth of the course content needs to be increased for achieving the expected Course Outcomes	Faculty members were asked to cover more depth of the course taught and to keep check on the attainment of course outcomes and made students familiar with ideas of POs and COs and their expected outcomes in the starting of course teaching.
		Students are more concerned about practical learning	Faculty members are incorporating live examples and case studies into their lectures to connect topics with current national and international events. This approach can significantly enhance the relevance and practicality of the curriculum, providing students with real-world insights and applications of the subject matter. Additionally, conducting webinars to keep students informed about current trends is an excellent way to foster their awareness of industry developments and emerging issues. This proactive approach to staying up-to-date with the latest information can be highly beneficial for students in their academic and future professional endeavors. Overall, these initiatives demonstrate a commitment to providing students with a well-rounded education that extends beyond the classroom and textbook, and it helps them stay informed and prepared for the challenges and opportunities in their respective fields.

2.	ALUMNI	Students should get awareness of further studies and prospects	<p>Conducting mock tests can be instrumental in helping students prepare effectively for advanced studies, ensuring that they are well-equipped for the challenges of higher education. Organizing events focused on career opportunities after graduation, digital marketing, and career counseling for skill enhancement is an excellent way to keep students informed about their career prospects and potential pathways. These events can provide valuable insights, guidance, and networking opportunities for students as they plan their future careers.</p> <p>By offering a holistic approach that combines academic preparation with career development and skill enhancement, the institution is not only nurturing well-rounded individuals but also helping them make informed choices and pursue their goals effectively. This proactive approach can contribute significantly to the success and satisfaction of the students.</p>
3.	FACULTY	Research activity be promoted among students and integrated in teaching learning process.	Research has been emphasized appropriately in revamped curriculum. A dedicated lab for research was made and the research incentive policy was revised to encourage research culture among them .
		Entrepreneur ability of the students be encouraged	Students to be encouraged for Entrepreneurship as career prospect. Innovation and Entrepreneurship have been promoted in structured manner. Various Entrepreneur workshops by IIC and Entrepreneurship Day celebration have been incorporated in the new academic session.
4.	EMPLOYER	Out of the box thinking be encouraged	Promoting programs on self-learning, such as financial awareness, pitching, and business model canvas, is an excellent way to equip students with essential skills and knowledge that extend beyond traditional classroom education. These programs can empower students to develop important life skills and an entrepreneurial mindset.
		Suggestion to enhance general communication skills	Faculty started paying more attention on the improvement of communication skills of the
