Report on Awareness Drive on Online Payment System

Date: 19th June 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Yakubpur, Farrukhnagar, Gurugram

Introduction:

The Gurugram Global College of Pharmacy (GGCP) organized an Awareness Drive on “Online Payment System” on 19th June 2019. The event aimed to educate students, faculty, and staff about secure online transactions, digital payment methods, and how to use these systems safely. The initiative was part of the college's efforts to enhance digital literacy and promote secure financial practices within the college community.

Objectives

The primary objectives of the awareness drive were:

1. To provide comprehensive information about various online payment systems.
2. To educate participants on the importance of secure online transactions and fraud prevention.

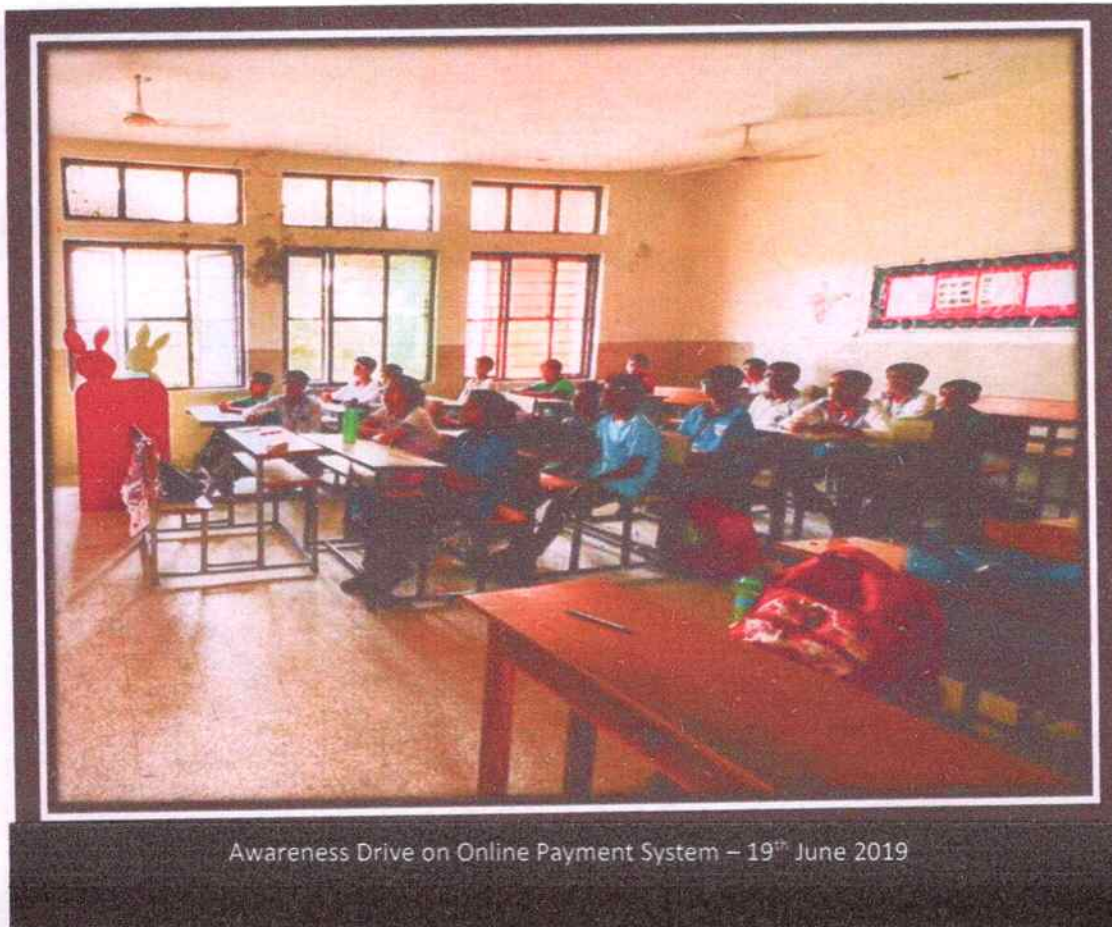

3. To demonstrate practical use of online payment platforms to ensure safe and efficient transactions.

Outcome:

1. Participants received comprehensive information about various online payment systems.
2. Participants learned about the importance of secure online transactions and fraud prevention.
3. Participants practiced using online payment platforms to ensure safe and efficient transactions.

Report on Donation Drive for Under Privilege Student at Slum Area

Date: 23rd April 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Yakubpur, Farrukhnagar, Haryana

Introduction:

On 23rd April 2019, Gurugram Global College of Pharmacy organized a "Donation Drive for Underprivileged Students at Slum Area" with the objective of providing essential educational materials and support to students in need. This initiative was designed to help improve the educational experiences of underprivileged students and contribute positively to their academic pursuits.

Objective

The primary objectives of the Donation Drive were to:

1. **Provide Educational Supplies:** Distribute books, stationery, uniforms, and other essential educational materials to students in a slum area.
2. **Support Educational Aspirations:** Assist underprivileged students by providing them with the tools they need to succeed academically.
3. **Promote Community Involvement:** Encourage participation from students, faculty, and staff in supporting a worthy cause and fostering a sense of social responsibility.

Outcome:

1. Participants distributed books, stationery, uniforms, and other essential educational materials to students in a slum area.
2. Participants assisted underprivileged students by providing them with the tools needed to succeed academically.
3. Participants encouraged involvement from students, faculty, and staff in supporting the cause and fostering a sense of social responsibility.

Report on Plantation Drive

Date: 27th March 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Campus Outside Road

Introduction:

On 27th March 2019, Gurugram Global College of Pharmacy organized a "Plantation Drive on Road" with the goal of enhancing the green cover in our community and promoting environmental sustainability. The event involved planting trees along the roadways to contribute to a greener and healthier urban environment.

Objective

The primary objectives of the Plantation Drive were to:

1. **Enhance Green Cover:** Increase the number of trees along the roadways to improve the local environment and contribute to ecological balance.
2. **Promote Environmental Sustainability:** Raise awareness about the importance of greenery and its benefits for urban areas, including reducing pollution and providing shade.
3. **Encourage Community Participation:** Engage students, faculty, and staff in environmental conservation efforts and foster a sense of responsibility towards nature.

Outcome:

1. Participants increased the number of trees along the roadways, improving the local environment and contributing to ecological balance.
2. Participants raised awareness about the importance of greenery and its benefits for urban areas, including reducing pollution and providing shade.
3. Participants engaged in environmental conservation efforts and fostered a sense of responsibility towards nature among students, faculty, and staff.

Report on Awareness Programme Under the theme Gender Based Violence

Date: 20th February 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Garhi Harsaru, Gurugram, Haryana

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized an “Awareness Programme Under the Theme Gender-Based Violence” on 20th February 2019. The programme aimed to educate participants about the various forms of gender-based violence, the consequences of such violence, and the importance of prevention and support systems. The event included expert talks, a panel discussion, and an interactive session to engage the audience and provide valuable insights into the topic.

Objectives

The key objectives of the programme were:

1. To raise awareness about gender-based violence and its impact on individuals and society.
2. To provide information on the different forms of gender-based violence, including physical, emotional, and sexual abuse.

3. To discuss the legal protections available and the role of support systems in addressing and preventing gender-based violence.
4. To foster an environment of open dialogue and support, allowing participants to share their experiences and seek guidance.

Outcome:

1. Participants increased their awareness about gender-based violence and its impact on individuals and society.
2. Participants received information on various forms of gender-based violence, including physical, emotional, and sexual abuse.
3. Participants learned about legal protections available and the role of support systems in addressing and preventing gender-based violence.
4. Participants engaged in open dialogue, shared their experiences, and sought guidance in a supportive environment.

Report on Cloth Distribution Drive to Poor People

Date: 6th February 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Bassai, Gurugram, Haryana

Introduction:

On 6th February 2019, Gurugram Global College of Pharmacy organized a "Cloth Distribution Drive to Poor People" with the aim of providing essential clothing to underprivileged individuals and families in our community. This event was a testament to our institution's commitment to social responsibility and community service. By engaging students, faculty, and staff in this charitable activity, we aimed to address the immediate needs of those less fortunate and promote a culture of empathy and support.

Objective

The primary objectives of the Cloth Distribution Drive were to:

1. **Provide Essential Clothing:** Distribute gently used or new clothes to individuals and families in need, improving their access to basic necessities.
2. **Foster Community Support:** Encourage participation from the college community in charitable activities and enhance awareness about social issues.

3. **Promote Empathy and Engagement:** Create opportunities for students and staff to engage in acts of kindness and contribute to the well-being of others.

Outcome:

1. Participants distributed gently used or new clothes to individuals and families in need, improving their access to basic necessities.
2. Participants were encouraged to engage in charitable activities and increased their awareness about social issues through community support.
3. Participants had opportunities to engage in acts of kindness and contributed to the well-being of others, fostering empathy and engagement.

Report on River Clean Up Drive

Date: 16th January 2019

Organized by: G.G.C.P. Farrukhnagar

Location: Dhankot, Gurugram, Haryana

Introduction:

On 16th January 2019, Gurugram Global College of Pharmacy organized a "River Clean-Up Drive" aimed at contributing to environmental conservation and raising awareness about the importance of maintaining clean water bodies. This initiative involved cleaning up a local river and encouraging community participation in environmental protection efforts.

Objective

The main objectives of the River Clean-Up Drive were to:

1. **Enhance Environmental Health:** Remove waste and litter from the river to improve water quality and the surrounding environment.
2. **Promote Awareness:** Increase awareness about the effects of pollution on water bodies and the importance of proper waste disposal.
3. **Encourage Community Participation:** Engage students, faculty, and staff in meaningful environmental conservation activities.

Outcome:

1. Participants removed waste and litter from the river, which improved water quality and the surrounding environment.
2. Participants increased their awareness about the effects of pollution on water bodies and the importance of proper waste disposal.
3. Participants engaged in meaningful environmental conservation activities, involving students, faculty, and staff.

Report on Blood Donation Camp

Date: 19th December 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Sultanpur, Farrukhnagar, Gurugram

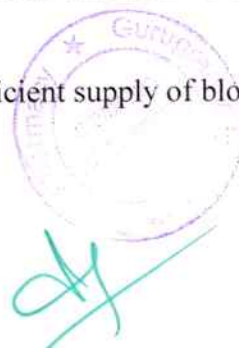

Introduction:

On 19th December 2018, Gurugram Global College of Pharmacy, in collaboration with Life Line Blood Bank, organized a "Blood Donation Camp." The camp aimed to facilitate blood donation and support the local blood bank in maintaining an adequate supply for medical emergencies. This initiative was part of our commitment to community service and public health.

Objective

The primary objectives of the Blood Donation Camp were to:

1. **Facilitate Blood Donation:** Encourage students, faculty, and staff to donate blood and contribute to the local blood bank's efforts.
2. **Support Medical Needs:** Assist in maintaining a sufficient supply of blood for patients in need of transfusions and emergency medical care.

3. **Promote Awareness:** Raise awareness about the importance of blood donation and its impact on saving lives.

Outcome:

1. Participants were encouraged to donate blood and contribute to the local blood bank's efforts.
2. Participants supported maintaining a sufficient supply of blood for patients in need of transfusions and emergency medical care.
3. Participants increased their awareness about the importance of blood donation and its impact on saving lives.

Report on Human Rights Awareness Programme

Date: 28th November 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Chandu, Gurugram, Haryana

Introduction:

On 28th November 2018, Gurugram Global College of Pharmacy organized a "Human Rights Awareness Programme" aimed at educating and raising awareness about human rights. The event sought to promote understanding of human rights issues and foster a commitment to protecting and upholding these rights.

Objective

The main objectives of the Human Rights Awareness Programme were to:

1. **Promote Understanding:** Increase awareness and knowledge about human rights and the importance of protecting them for all individuals.
2. **Educate Participants:** Provide information on various aspects of human rights, including their significance and how they can be upheld in everyday life.
3. **Foster Commitment:** Encourage participants to actively support and advocate for human rights and equality.

Outcome:

1. Participants increased their awareness and knowledge about human rights and the importance of protecting them for all individuals.
2. Participants received information on various aspects of human rights, including their significance and how to uphold them in everyday life.
3. Participants were encouraged to actively support and advocate for human rights and equality.

Blood Donation Camp

Date: 22nd November 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Jaraun, Farrukhnagar, Gurugram

Introduction:

Gurugram Global College of Pharmacy (GGCP), in collaboration with Guru Nanak Dev Charitable Trust Centre, organized a “Blood Donation Camp” on 22nd November 2018. The camp was aimed at encouraging voluntary blood donation and supporting local blood banks to address the need for blood in medical emergencies.

Objectives

The primary objectives of the camp were:

1. To promote voluntary blood donation and contribute to community health.
2. To provide an opportunity for students, faculty, and staff to participate in a life-saving initiative.
3. To raise awareness about the importance of blood donation and its impact on saving lives.
4. To conduct preliminary health check-ups for donors.

Outcome:

1. Participants promoted voluntary blood donation and contributed to community health.
2. Participants had the opportunity to engage in a life-saving initiative, including students, and staff.
3. Participants increased their awareness about the importance of blood donation and its impact on saving lives.

Go Green

Date: 14th November 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Sultanpur, Farrukhnagar, Gurugram

Introduction:

The Gurugram Global College of Pharmacy (GGCP) organized a "Go Green" Plantation Drive on 14th November 2018. The event aimed to promote environmental sustainability, increase green cover, and raise awareness about the importance of trees and ecological conservation. The initiative saw active participation from students, faculty, and staff, making it a significant step towards a greener campus.

Objectives

The primary objectives of the Plantation Drive were:

1. To plant a variety of saplings around the college campus.
2. To educate participants about the benefits of trees and the importance of environmental conservation.
3. To encourage community involvement in sustainable practices and green initiatives.

Outcome:

1. Participants planted a variety of saplings around the college campus.
2. Participants were educated about the benefits of trees and the importance of environmental conservation.
3. Participants were encouraged to engage in sustainable practices and green initiatives within the community.

Report on Plastic Clean-up Drive

Date: 12th October 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Khera Khurrampur, Farrukhnagar, Gurugram

Introduction:

On 12th October 2018, Gurugram Global College of Pharmacy organized a "Plastic Clean-Up Drive" aimed at addressing the pressing issue of plastic pollution. The event focused on collecting plastic waste from designated areas and raising awareness about the adverse effects of plastic on the environment.

Objective:

The primary objectives of the Plastic Clean-Up Drive were to:

1. **Reduce Plastic Pollution:** Remove plastic waste from specific areas to mitigate environmental pollution and improve local aesthetics.
2. **Promote Environmental Awareness:** Increase awareness about the harmful impacts of plastic waste on ecosystems and encourage responsible waste management practices.

3. **Engage the Community:** Involve students, faculty, and staff in active environmental conservation efforts and foster a sense of responsibility towards protecting natural resources.

Outcome:

1. Participants removed plastic waste from specific areas, which helped mitigate environmental pollution and improve local aesthetics.
2. Participants increased their awareness about the harmful impacts of plastic waste on ecosystems and were encouraged to adopt responsible waste management practices.
3. Students, faculty, and staff were actively involved in environmental conservation efforts and developed a sense of responsibility towards protecting natural resources.

Report on Awareness Drive About Online Portal

Date: 10th October 2018

Organized by: G.G.C.P. Farrukhnagar

Location: khera Khurrampur, Farrukhnagar, Gurugram

Introduction:

On 10th October 2018, Gurugram Global College of Pharmacy organized an "Awareness Drive on Online Portal" to familiarize students, faculty, and staff with the features and benefits about online portal. The drive aimed to enhance user engagement and ensure that all members of our community can fully utilize the portal's capabilities.

Objective

The primary objectives of the Awareness Drive were to:

1. **Educate Users:** Provide comprehensive information about the online portal, including its various features and functionalities.
2. **Demonstrate Benefits:** Highlight the benefits of using the portal, such as alumni registration, batch mate connections, automatic birthday wishes, and event management.
3. **Facilitate Usage:** Offer hands-on guidance and support to help users become comfortable with navigating and using the portal effectively.

Outcome:

1. Participants were educated about the online portal, including its various features and functionalities.
2. Participants understood the benefits of using the portal, such as alumni registration, batch mate connections, automatic birthday wishes, and event management.
3. Participants received hands-on guidance and support, becoming comfortable with navigating and using the portal effectively.

Report on Camp on Beti Padhao Beti Bachao

Date: 22nd August 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Mushedpur, Farrukhnagar, Gurugram

Introduction:

Gurugram Global College of Pharmacy (GGCP) organized a “Camp on Beti Padhao, Beti Bachao” on 22nd August 2018. The camp was part of a national campaign aimed at promoting the education and protection of the girl child. The event focused on raising awareness about the importance of girls' education, their rights, and creating a supportive environment for their development.

Objectives

The primary objectives of the camp were:

1. To raise awareness about the “Beti Padhao, Beti Bachao” initiative and its significance.
2. To educate participants on the challenges faced by girls and the importance of their education and protection.
3. To engage the college community in discussions on how to support and empower girls.
4. To distribute informative resources that highlight the campaign's key messages and actionable steps.

Outcome:

1. Participants gained awareness about the “Beti Padhao, Beti Bachao” initiative and understood its significance.
2. Participants were educated on the challenges faced by girls and recognized the importance of their education and protection.
3. The college community engaged in discussions on how to support and empower girls.
4. Informative resources highlighting the campaign's key messages and actionable steps were distributed to participants.

Report on Camp on Save Environment

Date: 08th August 2018

Organized by: G.G.C.P. Farrukhnagar

Location: Khera Khurrampur, Farrukhnagar, Haryana

Introduction:

On 8th August 2018, Gurugram Global College of Pharmacy organized a "Camp on Save Environment" with the objective of raising awareness about environmental conservation and promoting sustainable practices within our community. The camp provided a platform for participants to engage in discussions and activities related to environmental protection.

Objective

The primary objectives of the Camp on Save Environment were to:

1. **Educate Participants:** Increase awareness about key environmental issues and the importance of adopting sustainable practices.
2. **Promote Environmental Action:** Encourage participants to engage in activities that contribute to environmental conservation and protection.
3. **Foster Community Engagement:** Involve students, faculty, and staff in environmental initiatives and promote a sense of responsibility towards protecting natural resources.

Outcome:

1. Participants gained increased awareness about key environmental issues and the importance of adopting sustainable practices.
2. Participants engaged in activities that contributed to environmental conservation and protection.
3. Students, faculty, and staff were involved in environmental initiatives, fostering a sense of responsibility towards protecting natural resources.
