Affiliated to Haryana Board of Technical Education

### Brief content of the event:

The Gurugram Global College of Pharmacy organized a short course on Microsoft PowerPoint. The seminar was conducted for B. Pharmacy Students of Gurugram Global College of Pharmacy. The name of the keynote speaker was Mr Feroz Alam Assistant Professor (GITM). The session was very helpful & participants will learn about web accessibility standards and guidelines, enabling them to design and develop websites that are inclusive and accessible to users with disabilities. Participants will discover how to integrate multimedia elements such as images, videos, and audio to enhance their presentations. Additionally, the session will cover advanced features including slide transitions, animations, and speaker notes, empowering participants to deliver engaging and professional presentations. Through practical demonstrations and hands-on exercises, attendees will gain practical experience and confidence in utilizing PowerPoint as a powerful tool for communication and storytelling.

## Report of the Programme A Session on Excel Proficiency

Institute Name: - Gurugram Global College of Pharmacy  
Date: - 27<sup>th</sup> April 2023

<b>TYPE OF EVENT</b>	Seminar
<b>VENUE</b>	Swami Vivekanand Auditorium, C-2 Block
<b>TIME &amp; DURATION</b>	10:00 AM
<b>CONDUCTED BY</b>	Gurugram global college of pharmacy
<b>ORGANISED FOR</b> (Course name & Semester)	B. Pharmacy
<b>NAME OF COORDINATOR</b>	Ms Himani
<b>ATTENDANCE</b>	30
<b>RESOURCE PERSON</b> (Name of the resource person, Designation, organization)	Mr Praveen (Assistant Professor, GITM)
<b>OBJECTIVE OF THE EVENT</b>	The seminar aims to enhance participants' Excel proficiency through a comprehensive exploration of Excel. Beginning with fundamental concepts, attendees will develop a strong understanding of Excel's functions, formulas, and features, enabling them to proficiently manage and manipulate data. Practical application scenarios will illustrate Excel's versatility across various industries, while problem-solving exercises will hone participants' analytical abilities.

Affiliated to Haryana Board of Technical Education

## LEARNING OUTCOME

The session on Excel proficiency focusing on Excel aims to achieve several learning outcomes to enhance participants' proficiency in using the software. By the end of the seminar, attendees will have developed a solid foundation in Excel, encompassing basic functions such as data entry and formatting, as well as advanced techniques like formula application and data visualization.

### Brief content of the event:

The Gurugram Global College of Pharmacy organized a session on Excel Proficiency in the Auditorium- C-2 Block. The seminar was conducted for B. Pharmacy of Gurugram Global College of Pharmacy. The name of the guest speaker was Mr. Praveen (Assistant Professor, GITM). He shared that his practical exercises and real-world applications will enhance problem-solving abilities, while strategies for productivity enhancement and collaboration will be provided. Overall, attendees will leave the seminar equipped with the knowledge and skills to effectively utilize Excel in their personal and professional pursuits.
